PERSONAL PROFILE:

I am a self-motivated hardworking individual who is enthusiastic and open to any challenges that may lie ahead. Currently, after finishing my A-levels studying mathematics, physics and chemistry, I am at the university of Liverpool studying computer science to pursue my career as a software engineer. I believe this demonstrates my problem-solving skills and ability to face and deal with numerous problems and challenges in many diverse scenarios while using my own initiative. On top of this I am a confident individual who thrives when working with a team due to my social skills and ability to communicate with others. I am always punctual and strive my self to always be present and this was demonstrated across my previous academic years when I maintained a consistently high attendance and was never late. When these factors are combined, I believe this makes me ideal for any role as I can adapt with ease to meet deadlines or changes roles to suit needs.

KEY SKILLS AND ABILITIES:

- Highly motivated, well driven and focused, with desire to succeed -Excellent leadership and communication skills
- Hard Working
- Highly computer literate -Problem solving skills

EMPLOYMENT HISTORY:

Sandwich artist- Subway. 2020-2021

This role acted as an initial step into work for my being my part time paid job and really helped me get a further grasp of working and helped me further build my social skills as I was always working in a team under high pressure situations due to the fact we had to work quickly and efficiently to meet customer demands. Furthermore, the role reinforced my ability to adapt to unfamiliar situations and deal with real world problems.

IT FIRM WORK PLACEMENT 2019

This role was vital to me as at the time I had little to no experience when working in a team and solving problems so during this work experience it developed me as a person while also bringing out the hard working and determined side as I was able to consistently meet all the deadlines that were thrown at me and provide valid solutions to any difficulties faced.

EDUCATION:

2020-2022 Carmel College St. Helens (pred grades)

A level Maths- A

A level Physics- A

A level Chemistry- A

2015-2020 WADE DEACON HIGH SCHOOL WIDNES 10 GCSES including:

4 Grade 9s (A**)

4 Grade 8s (A*)

2 Grade 7s(A)

Hobbies and interests:

I enjoy regularly going to the gym 3 times a week and to add to this I also occasionally play football with friends. I also love to travel and will be travelling around Europe with friends during early September. At home I like to read to keep my mind active and also I enjoy going out to socialise with friends.
